Achievements and performance

Summary of the main achievements of the charity during the financial period

We ended the period with a membership roll of 508 players (421 male/97 female) from 4 years old to adult. In addition, our 103 volunteers delivered approx 14400 hours of football activities.

The Club was also delighted to be able to check increase in annual fees for 2025/26 to 4.00% (driven by notified increases in venue hire costs).

Financial review

Brief statement of the charity's policy on reserves

In the event that the Club had to halt its income generating activities, it would mitigate against furthering deficit by cancelling all such contingent liabilities where possible and within applicable notice periods.
The Club's policy is to hold a reserve of a minimum of one months expenditure on venue costs and kit costs and will be reviewed annually by Committee

Type of governing document

A written Club Constitution which provides that the SCIO operates as a two-tier structure and narrates the Club's charitable purpose and how its activities in furtherance of that purpose.

Trustee recruitment and appointment

The individuals who signed the Charity Trustee declaration forms, which accompanied the application for incorporation of the Club, were deemed to have been appointed by the members from the date of incorporation of the Club. [REDACTED] have been appointed as Trustees.

Objectives and activities

Charitable purposes

The aims and objectives of the Club are to foster, support, encourage the advancement of public participation in sport, across all members of our society, through the playing of football. Whilst the winning of trophies and cups is enjoyed by all, the prime objective of the Club is to encourage all to play and enjoy football, with the focus on all members in achieving the maximum of their skills and potential.

Summary of the main activities in relation to these objects

Our Club continues to promote & provide football and make it accessible to the wider committee.

Achievements and performance

Summary of the main achievements of the charity during the financial period

As a Club we have focussed on our community impact, above and beyond football. Our aims have moved to fostering, supporting, and encouraging the advancement of public participation in sport, across all members of our society and at minimal cost. We seek to improve social inclusion, improve mental and physical well-being, and minimise blocks in accessing sports through the playing of football and partnering with community-based organisations who support and share our aims and values.

Our 103 volunteers provided 3615 hours of coaching and support to our 508 registered players, 87 of whom (20.67%) form our Girls Academy.

The Club's Soccer Academy (for 4.5 & 6 year olds) had registered 82 players during its season, providing a fun, social environment and encouraging a love of the national game for our those making their first steps on the Player Pathway.

Through assistance from the SFA, in the form of grants, and in collaboration with local partner, the Brunswick Youth charity the Club was able to provide a free holiday hunger programme during the Easter break for 34 children from our community identified as being from areas of multiple deprivation.

The Club contributed £130,122.33 to the local authority in venue hire costs, which represented a £14,127 increase on 2022/23

Financial review

Brief statement of the charity’s policy on reserves

The Club’s policy is to aim to hold reserves of approximately one month’s average expenditure on lets and kits as designated funds. At its financial year-end in June 2024, the Club’s independently examined accounts held unrestricted cash funds of £7,507 of which £7,100 has been designated for the following purposes; to cover one month’s estimated net costs for training and match lets and kit orders, therefore the remaining balance of £407 represents a minor excess of the reserves target.

The Club may hold reserves above the target limit. Higher reserves could provide a greater contingency fund, providing a longer time to recover from a single event of loss, or enabling the Club to withstand additional events of loss. Alternatively, reserves could be built up to provide the Club with the financial platform to commit to additional activities or enable investment in strategic objectives such as increased and/or dedicated facilities. Reserves may also reduce to fund operational deficits in any specific year due to challenges such as decreased income received and/or increased expenditure incurred.

Details of any deficit

This is the 2nd reportable period for the SCIO, however is the first full official 12 month reportable period. For this period, the SCIO has a reported operational deficit of £23,847. This has been funded by utilisation of existing reserves to manage challenging circumstances for the SCIO during the period with increased costs, primarily on lets costs which are showing a 29% increase from last year (compared to an equivalent 12 month period), coupled with a reduction in income primarily fees which are down 5% from last year (compared to an equivalent 12 month period) mainly due to some teams folding prior to the season end and resulting in reduced fee payments. These operational deficits reported have been considered by the Trustees and a change in membership fee payments schedule for members to being payable over 12 months (previously was a 10 month payment schedule) was introduced during the reporting period to ensure income maximisation to manage operational costs and cashflows going forward and enables the SCIO to aim to achieve at least an annual operational break-even position without requirement to utilise existing reserves.

Donated facilities and services (if any)

The Club has no donated facilities or services.

The trustees declare that they have approved the trustees’ report above.

Respective responsibilities of trustees and examiner	The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.							
Basis of independent examiner's statement	My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.							
Independent examiner's statement	In the course of my examination, no matter has come to my attention: - which gives me reasonable cause to believe that in any material respect the requirements: - to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met, or - to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
