The charity is set up to support the advancement of education, the advancement of citizenship and community development via the provision of recreational facilities with the object of improving the conditions of life for the persons for whom the facilities are primarily intended. We own, maintain and make available the local community hall for a wide range of community events and activities.

This SCIO was constituted on 6th January 2023 to replace the old Tingwall Public Hall trust SC040261. The legal process to transfer the assets (hall and contents) and to open a new bank account to receive the funds took much longer than anticipated and did not take place until 16th July 2024. So for the first year of its existence no activity took place under the new SCIO.
