Objectives and Activities

Our principal objective is the advancement of young peoples' public participation in the sport of football in and around the community of Turriff. We encourage participation for all irrespective of race, colour, religion, sex, sexuality or disabilities.

The club is run exclusively by volunteers providing football activities to approximately 390 children and young people from age 4 to 18 years old in Turriff in a safe organised environment. The majority of our players attend training twice a week and a match on a weekend. In addition this year we have offered dedicated goalkeeper training on a fortnightly basis.

We have seen an overall growth in the size of our club during the last 12 months, our current membership is made up of 20 teams, 387 young people and 85 volunteers. We have 25 pre-school, 207 development players and 155 Competitive players. Our girls' section has grown to just over 100 girls, which nearly makes up one third of our overall players.

We believe that being a member of our football club encourages our young people to interact in a positive manner, enhances social skills and enables them to become active members of our community.

Structure, Governance and Management

Type of governing document

Turriff United Youth FC was successful in passing the charity test to become a Scottish Charitable Incorporated Organisation (SCIO) in January 2023, previously being an unincorporated group. It is governed by its constitution which was adopted on the 10th January 2023. On the same date all assets of the unincorporated group were transferred to the SCIO.

The management of the charity is a committee consisting of trustees/office bearers and committee members. Meetings are held on a bi-monthly basis during school term time.

Trustee recruitment and appointment

At the AGM on the 26th May 2024 Karen Watson our CWPO/trustee stepped down. [REDACTED] was successfully recruited into the role having extensive experience and knowledge in this area.

Trustees are recruited and appointed based on the skills, experience and the knowledge they bring from their professional careers or day-to-day work. The recruitment process ensures that individuals have the expertise needed to support effective governance and decision-making, while also demonstrating a clear alignment with the charity's aims and objectives. This helps to ensure the board is made up of people who not only contribute relevant qualifications but are also committed to furthering the charity's objectives.

Achievements and Performance

Over the last year we have continued to look for opportunities to make our club sustainable to ensure the future of TUYFC for our young players and families. We have seen continued growth with our current membership now 387 young people and 84 officials.

On The Pitch

- Continue to have full pathways in both Boys and Girls sections.
- Our development age groups have more than one team entered into both the local leagues and ADJFA leagues.
- This season 5 competitive boys teams. Next season could see an increase to 8! 2 seasons ago we had 3!
- Consistency in the girls section with 3 competitive teams all in A league.
- Very successful introduction of our 2020's nursery group.
- 5 Development players from 2016's/17's and 2018's successful in trials for Aberdeen FC pre academy development training.
- 2015's were lucky enough to go down to Glasgow to play at Rangers training facility and have a memorable experience.
- The U13 team had an unforgettable first season at 11 aside football winning the Colony Park Trophy. They had a fantastic support on the day from everyone at the club whether it was pitch side at the game or keeping up to date from those who were there.

Off The Pitch

- Fantastic links with local individuals/businesses to obtain kit sponsorship
- We had a successful year of fundraising during the period with two Dons Day outs, a coffee morning in January as well as groups individually fundraising through sponsored events, footballs cards and tea stands at games.
- Our Helping Hand Fund is something which is incredibly important. It is a designated fund which was set up to provide assistance to any child for paying fees. As a club we want as many young people to be participating as possible and we believe financial barriers should. We will continue to promote and encourage applications.
- We continued our commitment to provide new training strips to all new starts and groups every 3 years.
- Fantastic support of donations for the Turriff Foodbank before Christmas
- The relationship between the development management team of Turriff United FC and our club has grow. This year will see a number of players attending trials for the under 18 development squad and also training opportunities.
- Full maintenance of the pitches and surrounding area to provide the best possible playing facilities and surroundings for the children and general public. A calendar of maintenance for our pitches has been implemented by a keen group of volunteers. Children have also been encouraged to join in with litter picking and weeding.
- The demolition of the old changing rooms and the start of the construction of the replacement building has commenced with a target completion date of September. This new upgraded facility will be welcomed by not only our club but for the whole community.

Financial Review

The main source of income is monthly fees, additional income is generated from fundraising, donations and sponsorship.

We are committed to making our fees as affordable as possible by find additional sources of income through grants, SFA funding and fundraising. There was no increase to monthly fees this year as we strive to make our club accessible for all. In addition we are committed to supporting any family who are require assistance to pay for monthly fees through our Helping Hand Fund. We believe no child should be deterred from taking part in football due to the inability to pay. Over the period 7 children had their full or partial fees paid by the fund. We continue to promote and encourage applications which are completely confidential.

The charities largest expenditures are the hire of all weather pitches and indoor halls over the winter months and other costs associated with providing football activities such as ref fees and coaches courses. We work closely with Aberdeenshire Council and other user groups to maximise the spaces in Turriff available as during the winter months it is limited.

Also significant expenditure is spent on providing all children with a training kit when they join and every three years. This fosters the ethos of being part of a team and the wider football club.

EXPENDITURE

Reserves

The trustees believe reserves are required to maintain the long term success of the charity to continue advancing our charity objectives.

Reserves were reviewed during the year and remain unchanged with a target of £20K

Each group/team has a group fund which is held in the club's bank account which is funded through fundraising and donations.

Deficit

Over the period the charity had a deficit of £6515. Partly due to a delay in receiving invoices for lets for the previous year but issued in advance during this period. Additional money was also spent on buses for 4 teams who had a successful run of Scottish Cup games which were away fixtures. Insurance costs increased over the year and a number of coaches required to renew their SFA courses and first aid as well as new coaches who required to complete these too.

The trustees will recommend an increase to monthly fees at the 2025 AGM.

Future plans

The trustees consider the following to be priorities for the charity for the next year:

- Further develop and improve footballing activities and facilities by encouraging and attracting players to continue/begin their footballing journey within the club.
- Coach development to enable the continued delivery of the national player pathway.
- Launch of a new nursery (2021) age group in August 2025.
- Recruitment of key positions within the committee and trustees due to existing members indicating their intention to step down at 2025 AGM.
- Continue to grow the committee with new members.
- Development of players to the next step in their footballing journeys out with our Youth setup. The aim is to provide a stepping stones to adult teams for our players for those who wish to continuing playing.
- Upgrade of ride on lawn mower capable of cutting larger areas. To achieve this we require to come up with a plan for fundraising, grant applications or sponsorship.
