Activities

Activities: 'It makes grants, donations or gifts to organisations'

Purposes: 'the advancement of health', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Love From Jamie hopes to support families financially who are grieving the death of a child to allow them to take more time off work, cover counselling costs, or any additional and unexpected funeral costs. We hope to relieve some financial pressure during an incredibly difficult time. Whilst we cannot take away the pain families go through, we aim to ease some of the financial pressure that comes with taking time off work, the expense of counselling appointments or additional funeral costs. The charity is solely funded through donations, fundraising from events we've organised ourselves, participating in events as an affiliated charity, and from people who have chosen to fundraise on our behalf through a number of different ways – sporting events, challenges at work or school, or memorial collections.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The organisation's purposes are: 1 to provide relief to those in need by reason of bereavement through the death of a child 1.1 financing the provision of counselling or other professional services. and/or 1.2 providing financial assistance to families/guardians to relieve general financial strain. 2 to provide relief to those in need by reason of children and young people (0-18 years) who are suffering from a terminal illness where the medical prognosis is that such child is likely to have not more than 2 years left to live, by: 2.1 financing the provision of equipment, activities or other special experiences. and/or 2.2 providing financial assistance to families/guardians to relieve general financial strain. 3 to provide financial support for the advancement of research into genetic conditions
