Dear Sir/Madam

RE: Hope 4 Living Annual Return

I wanted to notify OSCR that we have not yet started any functions as a charity.

We are still seeking funding. Therefore, we have no accounts to return as there are no receipts or payments.

We have no one to prepare any accounts (like blank sheets etc) so I thought it was best to send this letter to confirm we have not yet started yet so that there is no expectation for the full annual return forms to be completed.

Kind Regards
