What the charity does: Let The People Sing (LTPS) is a community-driven SCIO founded by individuals in Craigmillar and Niddrie with lived experiences of addiction. Alarmed by the withdrawal of most local services for those struggling with substance use—despite having the highest addiction referral rates in Edinburgh—we established a local Recovery Forum in 2021 to advocate for better support and then we opened 'The Bothy' a peer led recovery hub on the high street in Craigmillar to provide peer support for people affected by addiction. We are open 5 days a week, and along three inclusive drop in sessions we also run Women's and Men's groups, recovery yoga, an art group, social activities and trips, recovery mutual aid and fellowship groups, music, one to one support, and recovery coaching training We also provide on-going training and support and supervision for volunteers, many of whom have moved on to full-time employment in the field.

Beneficiaries: 'Other defined groups'

Objectives: 4 The organisation's purposes are: a) To provide relief to people in need by reason of ill health brought about by addiction and substance use dependency b) To advance community development and active citizenship amongst those in recovery and their families c) To provide education, training, and volunteering opportunities for those with problematic substance use and those in recovery from such. d) To encourage the advancement of human rights for people who are marginalised and stigmatised because of their addictions e) To provide the provision of recreational and social activities which promote the

improvement of mental and physical well-being for all individuals involved. f) The advancement of health through the promotion of recovery using direct personal experience of people, families, and communities who have been subject to the adverse effects of alcohol and drugs.

A MESSAGE FROM THE CHAIRPERSON

AS CHAIR OF LET THE PEOPLE SING, I'M HONOURED TO SHARE A LITTLE OF MY JOURNEY, INTRODUCE OUR INCREDIBLE TEAM, AND REFLECT ON THE EXCITING FUTURE WE'RE BUILDING TOGETHER.

THE BOTHY IS MORE THAN JUST A SERVICE—IT'S A COMMUNITY ROOTED IN PASSION, CONNECTION, AND PURPOSE. I'D LIKE TO TAKE THIS OPPORTUNITY TO REFLECT ON HOW I BECAME PART OF THIS JOURNEY, AND TO EXPRESS MY HEARTFELT GRATITUDE TO THOSE WHO MAKE OUR WORK POSSIBLE.

I FIRST CAME TO THE BOTHY SIMPLY LOOKING FOR SOMETHING TO DO—SOMEWHERE TO CONNECT AND BE PART OF SOMETHING MEANINGFUL. I JOINED THE WOMEN'S GROUP AND SOON BECAME A VOLUNTEER WITHIN THE DROP-IN. I BEGAN TAKING PART IN TRAINING AND OUTREACH WORK, AND THROUGH THAT PROCESS, I DISCOVERED SOMETHING UNEXPECTED: I FOUND MY PASSION.

THAT JOURNEY LED ME TO FACILITATOR TRAINING, AND EVENTUALLY, I BECAME THE FACILITATOR FOR THE VERY SAME GROUP THAT HAD WELCOMED ME. AS THE GROUP GREW IN STRENGTH AND DEMAND, WE OPENED A SECOND SESSION—BECAUSE THAT'S WHAT OUR COMMUNITY NEEDED. MEETING THOSE NEEDS IS AT THE HEART OF EVERYTHING WE DO.

THROUGHOUT MY TIME AT THE BOTHY, I'VE CONTINUED TO LEARN AND GROW. WITH A BACKGROUND IN SOCIAL CARE AND YEARS OF EXPERIENCE AS A SUPPORT WORKER, I STEPPED BACK FOR A TIME TO RAISE MY FOUR WONDERFUL CHILDREN. BUT I KNEW I NEEDED SOMETHING FOR MYSELF TOO—SOMETHING TO STRIVE FOR. THAT'S WHEN THE BOTHY BECAME PART OF MY STORY.

TODAY, I'M PROUD TO SERVE AS CHAIRPERSON OF A SERVICE POWERED BY THE DEDICATION OF ITS VOLUNTEERS, SUPPORTED BY THE PUBLIC AND OUR FUNDERS, AND DRIVEN BY THE NEEDS OF OUR COMMUNITY.

LOOKING AHEAD, OUR PLANS TO MOVE TO A LARGER PREMISES, EXPAND SERVICES FOR WOMEN, AND OPEN A WELCOMING COMMUNITY CAFÉ REFLECT OUR SHARED VISION. IT'S A VISION BUILT NOT JUST ON STRATEGY, BUT ON LIVED EXPERIENCE, TRUST, AND COLLECTIVE HOPE.

THANK YOU

TO EVERY VOLUNTEER, SUPPORTER, FUNDER, AND COMMUNITY MEMBER WHO CONTINUES TO BELIEVE IN AND BACK OUR WORK—I AM TRULY GRATEFUL TO BE PART OF THIS WITH YOU.

WARMLY,

CHAIRPERSON, LET THE PEOPLE SING

OUR MISSION AND ETHOS

WE EXIST TO BE A STARTING POINT—A PLACE WHERE INDIVIDUALS FEEL SAFE, SUPPORTED, AND SEEN.

OUR MISSION IS TO SUPPORT PEOPLE IN BUILDING SELF-CONFIDENCE, SELF-BELIEF, AND SELF-WORTH. IN OUR PEER-LED ENVIRONMENT, WE RECOGNISE THE POWER OF SHARING OUR UNIQUE JOURNEYS. BY OFFERING VULNERABILITY, WE INVITE TRUST BY SHOWING EMPATHY, WE FOSTER CONNECTION. OUR CORE FOCUS IS ON BUILDING GENUINE RELATIONSHIPS AND CULTIVATING A SENSE OF UNITY WITHIN OUR COMMUNITY. WE CREATE A SOLID SUPPORT SYSTEM THAT EMPOWERS INDIVIDUALS TO MOVE FORWARD IN THEIR OWN PERSONAL JOURNEY.

BY WORKING ALONGSIDE OTHER SERVICES, WE ENSURE THAT NO ONE HAS TO NAVIGATE RECOVERY ALONE—HOWEVER THAT MAY LOOK. WE HOLD A DEEP UNDERSTANDING THAT EACH PERSON'S RECOVERY IS UNIQUE, AND WE WANT EVERYONE TO KNOW THEY HAVE THE ABILITY TO THRIVE, NOT JUST SURVIVE. WE ARE HERE TO WALK ALONGSIDE EVERY INDIVIDUAL—NOT AHEAD OF THEM—SUPPORTING ONE ANOTHER TO RECLAIM CONTROL, REBUILD LIVES, AND REALISE POTENTIAL.

OUTCOMES AND IMPACTS

Pathways to Stability and Employment

Our service creates tangible pathways toward stability, purpose, and employment. Through volunteering, training, and shared learning, individuals build confidence, develop skills, and reconnect with their potential.

Key Outcomes

Volunteers Moving into Paid Employment

A testament to the confidence built and potential realised. Many of our volunteers transition into paid roles, both within and beyond our service—demonstrating the power of lived experience and peer-led support.

Training Opportunities

We support individuals to set and achieve personal and professional goals. From recovery coaching to facilitation skills, our training pathways foster growth, leadership, and long-term resilience.

Student Learning Exchanges

Future professionals gain invaluable insight into lived experience, while participants find purpose in sharing their stories. These exchanges build mutual respect and deepen understanding across sectors.

Community, Connection, and Belonging

We believe that recovery is rooted in connection. Our groups, drop-in sessions, and peer-led spaces reduce social isolation and offer consistent, compassionate presence.

Safe Space

We provide a welcoming environment for anyone seeking connection, support, or simply somewhere to be. This space is often the first step toward rebuilding trust and stability.

Peer Support

Relationships formed through peer support foster resilience and reduce loneliness. These connections are central to our ethos—building community from the inside out.

Raising Awareness and Driving Systemic Change

Our work challenges stigma, promotes education, and strengthens collaboration across sectors. By centering lived experience and honest conversation, we help shift perceptions and inform more responsive systems of care.

Key Initiatives

Overdose Awareness & Naloxone Training

Equipping individuals with life-saving tools and knowledge. These sessions not only save lives but also foster community responsibility and reduce fear around overdose response.

Nutrition Awareness

Promoting wellbeing from the inside out.

We explore the links between food, mood, and recovery—supporting healthier habits and informed choices.

Real-Time Street-Level Knowledge

We share up-to-date insights into drug trends and emerging needs, helping professionals stay informed and responsive. This bridges the gap between frontline experience and strategic decision-making.

Collaborative Signposting

Through consistent partnership and signposting, we help individuals access wider support. Our relationships with other services continue to grow, strengthening the local recovery ecosystem.

A Message of Hope

At the core of every outcome is something deeper: hope. Whether someone is taking their first step or rediscovering who they are, we help create a space for belief in a better future—for individuals, for families, and for our community.

OUTCOMES AND IMPACTS

Beyond Service Delivery: Creating Lasting Change

Our work goes far beyond providing services. It creates real, lasting change in people's lives and within the wider community. These outcomes reflect the resilience of those we work alongside and the ripple effect of having a safe, supportive community space in the heart of Craigmillar.

Empowerment Through Learning and Growth

First Aid Training

Participants gain essential life-saving skills and the confidence to respond in emergencies. This training fosters a sense of responsibility and self-efficacy, with many reporting increased readiness to support others in their community.

Facilitator Training

This pathway opens doors to leadership, purpose, and new opportunities. Individuals are supported to develop facilitation skills, lead peer groups, and contribute meaningfully to our service delivery—building both personal and collective capacity.

Recovery-Focused Learning

Recovery Coaching

Our recovery coaching supports individuals to build practical tools for daily life while deepening their understanding of themselves. Through one-to-one and group sessions, participants explore personal goals, develop coping strategies, and strengthen their recovery journey.

Psychology-Led Presentations

Led by a master's-level psychologist, these sessions increase awareness of behaviours, cravings, and coping mechanisms. They promote education, self-reflection, and informed decision-making—empowering individuals with knowledge that supports long-term wellbeing.

Peer led groups-

As part of our commitment to community-driven recovery, we continue to expand and support peer-led initiatives. These groups foster connection, confidence, and wellbeing, and are shaped by lived experience.

Independent Examiner's Report to Trustees of Let The People Sing

I report on the accounts of the charity for the year ended 31 March 2025 which are set out on pages 14 to 20.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
