Donations for undertaking car parking duties for the Banchory show and undertaking Race Nights provide sufficient funds to undertake charitable activities. Constitutionally, administrative costs are borne by the membership fees. The club holds an appropriate level of reserves for our future plans.

Future Plans

We meet on a regular basis online and face-to-face, where we plan our events for the future season. We plan a number of events that we carry out directly or jointly with other organizations/charities. We plan to continue our engagement with the local community, schools, and aim to support charities which are part of the policy of Lion's International. Diabetes, Vision, Childhood Cancer, Hunger, Youth, Humanitarian Efforts and Disaster Relief. We plan to continue working with our Leos Group to support them in their efforts.

Trustees Annual report – 20/4/ 23 to 30/ 6/ 24

Background to Lions International

Lions mission is to empower Lions clubs, volunteers and partners to improve health and wellbeing, strengthen communities, and support those in need through humanitarian service and grants that impact lives globally, and encourage peace and international understanding.

As members of Lions International, we are a part of the world's largest voluntary service organisation with 1.4 million members in over 200 countries

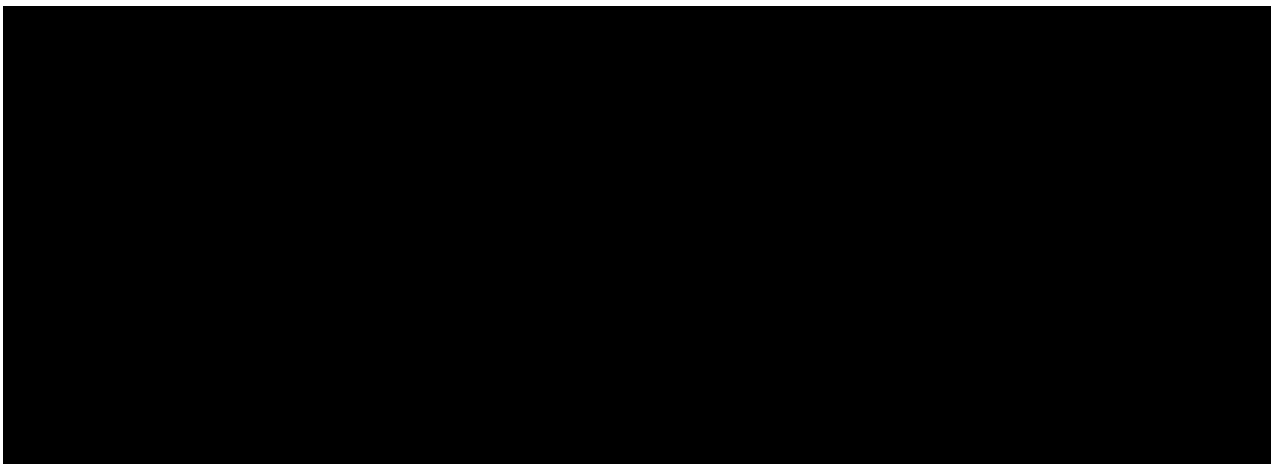

Globally, our core service areas are Vision, Paediatric Cancer, Disaster relief, Humanitarian Aid, Diabetes, Youth, the Environment and Hunger.

Individual Clubs are free to select which of these they support. They may also choose other local causes instead. Support may be financial or by "hands on" help. This may be done as Lions projects, or in conjunction with other groups.

Background to Aberdeen Bon Accord Lions Club SCIO 052500

The Club was registered as a SCIO on 20th April 2023 from Aberdeen Bon Accord Lions Club. This was formed as a branch Club of Aberdeen Lions Club and received its charter from Lions International, the umbrella organisation, in 2009 and is governed by its constitution and bylaws. (Appendix 1 and 2) which form the governing document of the charity.

Trustees are appointed by election by the Club members and represent the main areas of the Club's life. Trustees over this period have been

Since Covid, the Club has struggled to maintain membership and recruitment has been poor. This has impacted on the type and frequency of both service and fundraising undertaken.

Aberdeen Bon Accord Lions service and fundraising from 20th April 2023 to 30th June 2024

As a Club, we have a heavy commitment to Youth. For the past 19 years, we have shared responsibility for a Leo Club with Harlaw Academy in Aberdeen. The Leo Club aims to promote personal development of Leadership, Experience and give Opportunities to do so with S5 and S6 pupils through fund raising and service events. Although largely autonomous, oversight is jointly by a Leo Advisor and the Principal Teacher of Wider Achievement. The good causes supported are chosen by the Leos and any funds raised are supervised through the School Fund. Leos membership dues are paid by Aberdeen Bon Accord Lions Club SCIO.

The events undertaken by Leos have included joint activities with the parent Lion Club and the school's PTA as well as their own projects. Events have included a quiz night, assisting at MacMillan Coffee morning, Soak the teacher, Dress down days and Xmas Jumper days, Candy Cane sales, and Home bake sales. Beneficiaries have included Inchgarth Community Centre food bank (12 bags of groceries and £40), MacMillan Cancer support (£320) Chas (£188), Home Start (£179) Save the Children (£267) Red Cross (£232).

The joint activity with the school's PTA was to recycle school uniforms which collected 30 bags of uniform items. The joint activity with the parent Lions Club was to provide 10 sets of seven of the Wild Tribe Heroes books to the Leos feeder primaries (£360).

From a Lions perspective, the development of good citizenship and personal skills is more important than the financial gain and the Club has continued to be very successful in developing this.

The joint activity with Lions was a contribution to the parent Clubs ongoing project to purchase a set of books which introduce environmental stewardship to early stages primary school pupils in an age-appropriate way. We hope to donate sets of these to each Aberdeen primary school in a rolling programme.

This is funded from the £500 donation we received from The Banchory Show for assisting car parking. To achieve our aim will take a number of years.

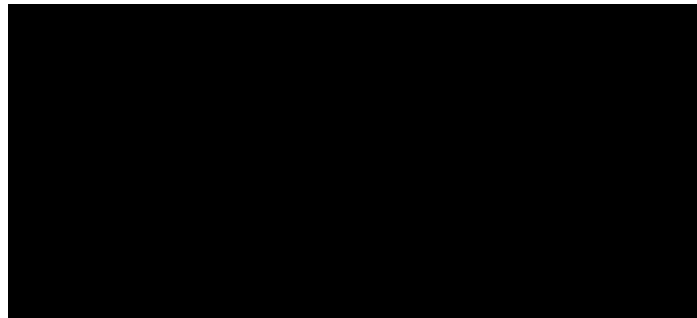

This also represents our environmental commitment although we try to undertake tree planting every other year.

Financial support was also given to We Too! which assists children with multiple needs but usually includes autism. This was funded by Bingo Night which raised £341, rounded up to £350.

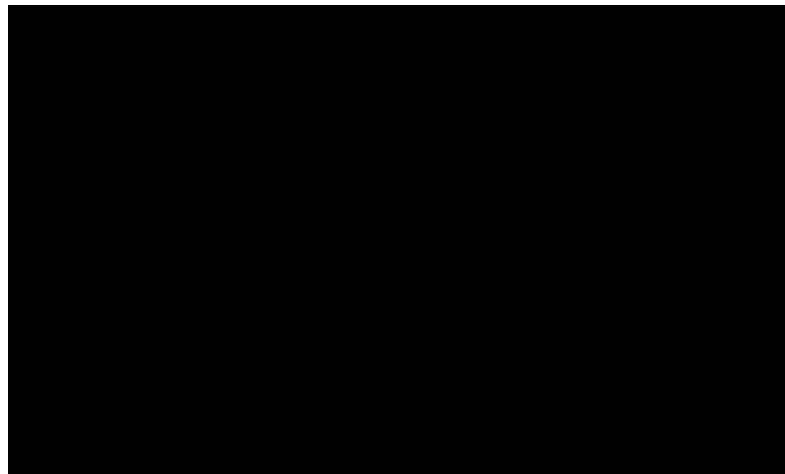

We Too! Was also supported by staffing a "chill out" area for overwhelmed youngsters on two evenings during the city's SPECTRA Festival of light.

Paediatric Cancer support has been through stewarding support and manning a water station at Cancer Research UK's Race for Life. Cancer support services, Maggie's, also received support from Aberdeen Bon Accord Lions giving out refreshments at their Firewalk which had one Lion participating.

Humanitarian Aid has been given through our long-term support for local charity Abernecessities which provides disadvantaged families with the essential and basic necessities that "No Child Should Go Without". A number of supermarkets in and around the city have trolleys to collect donated goods, such as babies clothes and blankets. Our Lions collect from two of them and deliver to Abernecessities HQ. Some of our members knit to provide goods.

Vision support was by a fundraising quiz which raised £360 for the RNIB charity.
