Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Buckie Men's Shed was formed in February 2023 with the ambition of gathering men together for support and to alleviate loneliness, isolation and mental fatigue. We have helped out in the community and with the community. We have already supported local primary schools within our area and they have benefited from our manpower and resources. Buckie Men's Shed was created to help fill an identified gap in social provision for men in the local area. Statistics from the Buckie 2011 Census shows that Buckie has an above national average of men over 65 and an above average of one person households. Other nearby towns have set up successful Men's Sheds and are seeing the benefits for both the men taking part and in the wider community. We operate from premises at 19a High Street, Buckie. We regularly meet socially where our members can meet others and so alleviate loneliness and generally enhance their quality of life.

Beneficiaries: 'Other defined groups'

Objectives: 4 The purpose of the organization is to provide recreational facilities and advance the social needs, health and wellbeing of any man aged 18 or over who is currently resident in Buckie and surrounding areas. By: a) Creating, developing and maintaining a facility, namely a Men's Shed. b) Offering opportunities for men in the Buckie area to meet and undertake creative, physical, purposeful and recreational activities of their choice. c) Reducing isolation of men in the area thus contributing to their physical and mental wellbeing. d) Developing the capacity of men in the Buckie area to share their skills and knowledge with others in the

community.

It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:-

1. which gives me reasonable cause to believe that, in any material respect, the requirements:

 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Regulations, or have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Trustees Annual Report 2024

This is the first AGM of Buckie Men's Shed.

With a bit of arm twisting, we formed a committee on the 9th March 2023. We were at that time meeting in the Fishermen's Hall, this was funded through the Peoplehood Project, who granted us funding for 20 weeks, taking us up to 6th July. In May we had secured premises f

The premises were in a state of disrepair and would need a considerable amount of work and money to get them to an operational stage. We managed to get Gray's recycling to donate the use of skips to get the rubbish cleared to give us a starting point and find out the true condition of the premises.

We discovered the floor in the part we wanted to use as workshops was totally rotten and we would need to replace the floor, as part of the roof was asbestos, we would need to replace that and get rid of all the asbestos from the site. (we couldn't get any insurance while we still had asbestos) We did however manage to start meeting in the better half of the building on 13th July.

First on the agenda was to create a kitchen area so we could get a cup of tea. We then created a small meeting room. We got a door donated by North East Windows for the end of the lane to High Street, and we got them to replace our doors into the Shed and replace the windows. We have now got a lowered suspended ceiling, so hopefully it will be easier to heat. Today we have had the asbestos part of the roof removed ready for a new insulated profiled roof to be fitted, hopefully starting tomorrow. Around mid-April we are getting a concrete floor laid so once that is completed, we should be able to start on creating our workshops.

None of this would have been possible without funding, so I would like to thank the following organisations for their funding and donations:-

Funding

Gordon & Ena Baxter Foundation, Beatrice Field, The national Lottery Community Fund, The Robertson Trust, and the Co-op.

Donations

Baxter's Staff Fund, The BB's, Boda Flowers, Buckie Community Shop, Buckpool Golf Club Ladies Section, Buckie Welfare, Buckie Thistle, Buckie Community Choir, House of Hair Fashion, Buckie High School, Buckie Glitter Ball Group, Portessie Hall, & SFL Department Buckie High School

donated our electric distribution box and cabling and thanks to for the many donations of tools, also thanks to the Portessie Hall for the donation of a Disabled Toilet.

I would like to thank for all the help she has given us during the year, with completing our funding applications. She has a vast experience in this area, and without her help we may not of had the approved applications that we had.

During last year we assisted the SFL Department at Buckie High School to erect a polytunnel and tidy up a couple of areas of school grounds. We assisted Buckies Roots with dismantling a damaged Gazebo, and we made a dog station for Wm Mair Funeral Directors.

This year we have been asked to make a mud kitchen for Millbank Nursery, a wood store for Millbank primary, help with the erection of a shed for the SFL department at Buckie High School and tidy up an area at Seafield Hospital for Friends of Seafield.

We are having a coffee morning in the North Church Hall on Saturday 20th April at 9.30am so hoping for a good turn out there. There will be a bottle stall, so any bottles would be greatly appreciated, please let as many people know as you can.

I would like to thank the committee for their assistance, and all our members who have put in a tremendous amount of time and effort into the work that we have done. We have come a long way in a short space of time, and for me It has been a great honour and privilege to have served as the first chairman of Buckie Men's Shed.
