Activities

Activities: 'It makes grants, donations or gifts to organisations'

Purposes: 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Our aim is to allow all young people in Caithness to be able to attend local clubs to enhance their learning, development, health and wellbeing. We hope by giving them an interest and a sense of belonging to a club that we can improve outcomes for young people. There will be a referral process and we will pay the club direct to ensure the money is going to where it should and that all young people will have the same chances to thrive. This will be done discreetly so that no stigma will be attached.

Beneficiaries: 'Children or young people'

Objectives: To promote the relief of those in need by reason of age, ill-health, disability, financial hardship or another disadvantage. The group will do this by working with families and carers to ensure youngsters under the age of 18 are able to access social activities and sports clubs.
