## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education'

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** the advancement of education, listed as (b) (a) Chemistry and Biology tutoring from beginning to advance level, including but not limited to online / face-to-face tutoring via video platforms (Skype/Whatup). Also, we are planning to continue with video lessons, with minimal interaction from senior tutor, so anyone can access the resource from the comfort of their home. (b) Currently we provide service for kids with autistic spectrum (free of charge), but also lots of support for displaced kids of Ukraine to continue their education in Scotland and being able to communicate on their own language and gradually learn chemistry and biology in English.
