Specifically, it is a religious voluntary organization whose aim is to engage in a common effort to: -

- a. Organize Bible-based English classes at churches or in the communities.
- b. Frequently update and develop websites in different kinds of languages across the world to benefit more believers,

- (a) To spread and preach Christ's Gospel to unbelievers by means of visual, audio, music, print and other mass media etc.
- (b) To promote religious education and Christian faith.
- (c) To develop and recommend from time-to-time general educational policies and initiatives in the promotion of education within a Christian context.
- (d) To provide outreach services to target communities that have high proportions of international students, local students and immigrants

Main Activities and Achievements

In the period from August 2024 to August 2025, in addition to our own weekly services, new partnerships were formed with churches and Bible schools. Churches and organizations that have partnered with us for conducting training and classes in this year include:

- 1. Hong Konger City Gospel Centre, Birmingham
- 2. SELBL
- 3. Rehoboth Living Church
- 4. Glasgow City Church

The office premises in Gordon Street have continued to welcome newcomers through weekly prayer meetings. The place will continue to serve as our contact point with ethnic minorities through regular prayer meetings, consultation and counselling.

It is a pleasure to see that by emphasizing the importance of ethnic equality in the ministry, people and churches of different ethnic origins were trained and mobilized in this mission. As seen from the above list, our partners include both local denominations as well as diaspora churches. Through partnering with such a diversity of churches and mission organizations like SELBL, we can encourage and empower people of many nations to participate in mission training.

In addition, in June 2025, with the sponsorship of East Dunbartonshire Council Fund, we maintained a good presence to reach out to the Chinese community. All these outreach activities took place in East Dunbartonshire. The rapport built with the community does help us in raising our profile in bridging the gaps of ethnic minority groups.

Financial Review

The accounts: have been prepared on a Receipts and Payments basis and in accordance with the applicable Accounting Standards, Statement of Recommended Practice, Accounting Reporting by charities (SORP 2005) and applicable accounting standards and the charities Acts 1993.

Financial performance:

Glasgow Chinese Grace Church has performed reasonably well in trying to meet its goals in terms of financial status, although there are so many challenges due to lack of finances. We have been able to organize several teacher training sessions throughout the year and training fees from church members have been a source of revenue that has enabled the organization to function so far.

Reserve Policy

Risk Management

First a special meeting was called to discuss fund-raising issues and promotion strategies. Committee members were made aware of the importance of promoting ethnic equality and diversity in all SELBL activities to welcome workers and volunteers from all nationalities to participate. Once the funding is secured, only then project will be approved

Independent examiner's statement

In connection with my examination, no matter has come to my attention: -

1. Which gives me reasonable cause to believe that in any material respect, the requirements: -
