LETTER FROM THE DIRECTORS

Hello! We had a wonderful 2023–2024 year with Turner Missions.. We are a small charity that just started in 2023 and we are excited for what the future holds here in Scotland and the UK. This is our first annual report so I hope that you find it interesting and also learn more about who we are! It is a rather short report as we are new and continuing to build. We are Americans that moved to the UK in 2016 and obtained our British citizenship about a year ago, which we were really thrilled about!

We have a lot of highs and lows over the past year, but mostly a lot to celebrate and we hope that reflects in this report. We love people and taking time to invest into people. We love serving in Scotland. As a Christian organisation, we will continue to help others into their walk of faith with Jesus, which is a high value for us.

CHARITY OVERVIEW

PURPOSE

This charity will focus its efforts and resources on carrying out its exempt activities to promote the Christian faith. The primary activity shall be ministry to provide spiritual, emotional, and physical support to people through religious activities, by resourcing and networking with individuals, churches and Christian organisations in fulfilling the Great Commission within the United Kingdom.

MISSION

- **Miraculous Mentorship**, monthly training, smaller group mentoring with [REDACTED] and special guests.
- **Supernatural Masterclass (by invitation)**, 2-3 day training conference in supernatural ministry and making it a lifestyle.
- **Monthly Online Divine Appointments**, prophetic and healing ministry prayer appointments
- **2-week Holy Spirit Intensive (Summer)**, immersed in the presence of God and teaching in biblical foundations and disciplines along with supernatural ministry training.
- **Itinerant Ministry**, by invitation only ministering in church gatherings, special services or conferences.

FINANCIAL HIGHLIGHTS

Our charity just obtained a UK bank account in February 2025. Unfortunately, obtaining a bank account for your charity was honestly, very difficult and frustrating, but we are happy to say that we have come out of that long process successfully. **Due to the lengthy process we didn't receive any funds,** but we look forward to building the accounts as we grow and gain more sponsors here in the UK!

SUCCESS STORIES

MENTORSHIP REVIEW

Miraculous Mentorship has been an amazing life changing experience for me. You guys, [REDACTED] have stewarded this mentorship so diligently and invested so much into each person, including me. I was going through the most challenging and the biggest transitions of my life just when I started Miraculous Mentorship. I was blinded by pain and grief and believed the lies that I had nothing more to give because of my own brokenness. During one of the activation sessions, those lies were broken off and I experienced a new level of freedom and healing. Opening up and allowing other people who signed up for this mentorship to speak into me and pray for me has brought so much healing and confidence. I am so thankful for this opportunity to be apart of it. This is not just an experience or fun and games, this is real. It's something I will carry for the rest of my life. Thank you!

[REDACTED]
the training led by [REDACTED] helps you develop your skills in growing in the faith and hearing the voice of God. With small groups and practical instructions I've been able to move to the next level with encouragement, not pressure. A huge bonus is they both are fantastic teachers of the Bible. I've learned so much and am excited to continue participating!

FUTURE OUTLOOK

OUR GLOBAL 5 YEAR VISION

- 1.By end of 2025, we aim to train over 1,000 individuals in supernatural ministry across at least 10 nations.
- 2.By end of 2030, our goal is to empower 10,000+ people in supernatural ministry to share the love of Jesus in 25 nations, through direct mentoring, masterclasses, and other training initiatives. We will organize and mobilize teams to travel with us, hosting transformative conferences and training events worldwide.

OUR LOCAL VISION IN SCOTLAND

- 1.We dream of establishing a fully operational ministry center in Scotland. This space will include office areas, rooms for ministry leaders or guests needing rest, prayer and inner healing support, and a vibrant coffee/cafe space.
- 2.We are seeking a facility with several bedrooms, office and meeting rooms, a coffee shop, a garden area. This will enable us to expand our current outreach and provide a larger haven for those visiting Glasgow and needing help.
- 3.We need to raise over £1 million for the Ministry Centre right here in Glasgow, Scotland to cover purchase of a facility, hire a full-time Operations Director and Facilities Manager to get us started.

In 2025, we'll embark on journeys to France, South Africa, Albania, and the USA, where we'll train, equip, and minister to many more in supernatural ministry in order to spread the gospel of Jesus and host conferences.
