Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health', 'the advancement of citizenship or community development', 'the advancement of environmental protection or improvement', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage', 'any other purpose that may reasonably be regarded as analogous to any of the preceding purposes'

What the charity does: Knowetop offers the community a safe space to engage with nature, learn new skills, share in produce grown on site and improve their mental and physical wellbeing through time in a greenspace and engaging with nature. On the 15 acre site we have a community growing space, community orchard, a range of wildlife habitats including woodland, hedges, meadows and a pond, and we're developing community plots with individual raised beds and in-ground growing spaces. Our free outreach and engagement activities include running a nature-based outdoor afterschool club one day a week. holiday activities for primary school aged children. twice-weekly practical volunteering sessions. weekly well-being in nature sessions. and a variety of public events for families and individuals. We are working to make Knowetop a valued, well-used and safe community space.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The organisation's purposes are [using letters identifying charitable purposes as identified by The Office of the Scottish Charity Regulator (OSCR) in their document 'What are the Charitable Purposes' as defined under the Charities and Trustee Investment (Scotland) Act 2005]: b) The advancement of education. d) The advancement of health. f) The advancement of citizenship or community development (including rural or urban regeneration). n) The relief of those in need by reason of age, ill-health,

disability, financial hardship or other disadvantage. m) The advancement of environmental protection or improvement and p) Any other purpose that may reasonably be regarded as analogous to any of the preceding purposes.

Annual Report and Accounts

April 2025 – March 2026

11th May 2026

Report of the Trustees for the year ending 31st March 2026

Chair's Report

It gives me great pleasure to note that the Knowetop Project is now firmly embedded in its community and delivering a range of outcomes to benefit both people and nature.

Its value has been recognised by the community, leading to successful collaborations and practical support, due in no small measure to our very able Manager.

We continue to require external grant aid to survive and to develop, with variable success in attracting funding to date. With many grant applications submitted and results pending, we remain hopeful of consolidating our position for blocks of three years at a time into the future.

'Our wee bit of the planet' remains a wonderful place to visit, to join in, to breathe the air and to recharge one's batteries.

I look forward to continued success for the site and its projects.

Chair of Trustees

Knowetop SCIO gratefully acknowledges the help and support of:

Alternatives Community-based Recovery, notably Anne Dyer and Ashlay Brown

Our funders and donors: Corra Foundation, The National Lottery Awards for All, West Dunbartonshire HSCP, The Robertson Trust, West Dunbartonshire Community & Volunteer Services, West Dunbartonshire Council (WDC) Communities Team, Cicely Transport, The Co-Op.

Others who have helped: Andy Devine WDC Community Greenspace Officer, Kevin McElroy, Janice O'Connor, Corra Foundation Community Co-ordinator, People in Place.

Our Vision

“Knowetop is a place to go, a place to grow and a place to breathe, a good place for people and a good place for nature.”

Our Mission

Knowetop becomes a valued, well used and safe community space, where people of all ages have the opportunity to engage with nature, improve their mental and physical wellbeing, and grow food for themselves and the wider community.

Our Aims in the delivery of our charitable purposes

1. manage the majority of the site for nature conservation, improving natural habitats as appropriate to the setting;
2. develop and manage a horticulture operation as a training, therapeutic and work placement venue and as the producer of organic fruit, vegetables and herbs for local consumption;
3. work with local groups on site, as a means to introduce them to horticulture and nature conservation;
4. secure sufficient funding from a variety of sources, to make the SCIO financially sustainable;
5. deliver a range of appropriate projects on site to ensure its ongoing improvement and success;
6. broaden the range of site users;
7. develop and maintain a suitable and appropriate range of inter-organisational relationships, for the benefit of the site and its users and to ensure a steady supply of volunteers, trainees, user groups and projects; and
8. have a strong and engaged Board of Trustees.

Our Values

1. Professionalism and responsibility;
2. Integrity, trust, honesty, openness and transparency;
3. Inclusion, accessibility, equality and equity for all, treating everyone with respect; and
4. Passion for our subjects.

We will embody professionalism and act responsibly for people and the planet, displaying a passion for our project and treating everyone with respect.

Annual report – April 2025 to March 2026

Staff

During this time the staff team at the project has been:

Claire Travis – Manager – 28 hrs per week

Mark Davies – Wellbeing project worker – 8 hours per week

Brodie MacKay – Children's activities session leader

Work Placements managed by Alternatives & hosted by Knowetop:

- Michael April 2025 to end May 2025 – 6 hrs per week
- Becky January 2026 to March 2026 – 4 hrs per week

Volunteers

Our volunteers are at the heart of the work we do. Though not large in number yet, they regularly give their time supporting the practical work on site and our activities programme, the project would not have advanced as far as it has without their efforts.

The trustees also give their time on a voluntary basis, attending board meetings, providing advice and guidance to staff and contributing to the development of strategy, policies and financial management.

Volunteer Scotland have calculated that weekly formal volunteering provides a social value of approximately £1,000 per person annually. Using their method for calculating economic value the 1866 hours of practical volunteering delivered by individuals and groups at Knowetop in this period was the equivalent of 1.2 FTE, and has an economic value of £32,000.

Our thanks go to everyone who has contributed their time and energy to help keep Knowetop growing.

Achievements

We strongly believe in the mental and physical benefits to health & wellbeing of spending time getting your hands dirty in natural surroundings, for everyone, regardless of your age, gender, background or physical ability. We are working to create a space where that is possible.

Our staff team is small, supplemented by freelance workers, work placements and volunteers to support delivery of tasks on site and our activities programme.

The 'business as usual' practical volunteering sessions and wellbeing group sessions continued this year. A reduction in funding meant the Wellbeing Group went down to one session a week. Activities tried by the group this year included working with a professional mosaic artist to create a mosaic table top, needle felting a variety of animals, working on the willow dome, creating folk-art and canal ware inspired art. Group members report an improved sense of wellbeing because of attending the sessions and enjoy being involved in deciding what activities they try.

We increased the amount of corporate volunteering that took place this year. Working with Chivas Brothers for the second year running, this time over 2^{1/2} days and hosting 86

employees who helped plant wildflowers, bark chip paths, weed and mulch the orchard. We also had Loch Lomond & The Trossachs National Park Rangers in for a day and they created a dead hedge in the market garden, and put in the posts for the hammock hangout area.

The efforts of our volunteers have again been recognised by Keep Scotland Beautiful's 'It's Your Neighbourhood' scheme. We obtained a Level 5 – Outstanding for the second year in a row, and received a Certificate of Distinction.

Alongside the practical work and events and activities programme we have reached some milestones in a strategic sense for the project this year. We launched our website www.knowetop.org.uk in March, and relaunched our Crowdfunder. Thanks to funding from The Robertson Trust we were able to commission a local filmmaker to capture the project and what it means to the people that come. Filming took place during the summer and had input from our volunteers, wellbeing group members, the public and Tulloch. The short version is available on our Facebook page, and the longer version on the website.

Here are the numbers involved in some of what we accomplished:

- 97 practical volunteer sessions on Tuesdays and Thursdays, totalling 650 volunteer hours contributed to the project, with one volunteer exceeding 300 hours;
- 46 Wellbeing in Nature sessions on Thursdays;
- 9 days of children's activities during school holidays, we have had an uptake level of 87% for our children's activities, and we increased capacity for the 6 days of summer activities to meet demand;
- 4 free public events attended by 83 people, including a summer open afternoon, farm memories evening, scything workshop, and a Christmas wreath making day;
- 48 weekly work sessions for Community Pay Back Women's Team, totalling 715 hours of community pay back order time;
- 22 sessions with Tulloch as part of their Green Skills programme for young people, with 168 hours of work contributed to the project by attendees gaining work and horticulture skills;
- 2 half-day pond restoration workshops and 2 half-day pond creation workshops in conjunction with Froglife ;
- 3.5 days corporate volunteering by 101 people contributed 333 hours of time to the project; and
- 3 Community Payback Order placements provided for individuals.

Examiner's Report to the Trustees of Knowetop SCIO

I report on the accounts of the charity for the year ended 31 March 2026.
These are set out on pages 6 - 10.

Respective responsibilities of Trustees and examiner

The charity's Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect,

1. the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn, in order to enable a proper understanding of the accounts to be reached.

Annual Report and Accounts

October 2023-March 2025

14 April 2025

Report of the Trustees for the year ending 31st March 2025

Knowetop is a 15 acre site in Castlehill, Dumbarton West. Once a community farm, it is now managed by Knowetop SCIO, a Scottish charity, for a combination of horticulture and wildlife conservation, as well as community amenity value. Set up by the charity, Alternatives Community-based Recovery, 2024 saw the end of a three-year pilot as part of that charity and the start of the next five-year development phase as a standalone charity. A new board of directors is in place with continuity of staff and key volunteers, and grant applications will hopefully ensure adequate capital and revenue resources for a sustainable future.

Chair's Report

This annual report is the first since we left the umbrella of Alternatives, to become a standalone charity. I am privileged to have been elected as Chair for this past year and am extremely proud of our achievements to date. Success going forward will depend on securing core funding, followed by the development of a range of post-based projects accompanied by their funding. The work on site continues apace and there will never be a shortage of valuable work to do, in the three areas of horticulture, nature conservation and community integration. We sit within various local networks, as a valuable and valued contributor to the area and we are also doing our bit for the planet. I look forward with optimism and enthusiasm to the next year.

Knowetop SCIO gratefully acknowledges the help of:

Alternatives Community-based Recovery, notably Anne Dyer and Ashlay Brown

Our funders and donors: Corra Foundation, The National Lottery Awards for All West Dunbartonshire HSCP, The Robertson Trust, West Dunbartonshire Community & Volunteering Services (WDCVS), West Dunbartonshire Council (WDC) Communities Team, WDC Education Services, The Mushroom Trust, The Banister Charitable Trust, McConnell, McTaggart Construction, the family of George Elliott

Our Vision

“Knowetop is a place to go, a place to grow and a place to breathe, a good place for people and a good place for nature.”

Our Mission

Knowetop becomes a valued, well used and safe community space, where people of all ages have the opportunity to engage with nature, improve their mental and physical wellbeing, and grow food for themselves and the wider community.

Our Aims in the delivery of our charitable purposes

1. manage the majority of the site for nature conservation, improving natural habitats as appropriate to the setting;
2. develop and manage a horticulture operation as a training, therapeutic and work placement venue and as the producer of organic fruit, vegetables and herbs for local consumption
3. work with local groups on site, as a means to introduce them to horticulture and nature conservation;
4. secure sufficient funding from a variety of sources, to make the SCIO financially sustainable;
5. deliver a range of appropriate projects on site to ensure its ongoing improvement and success;
6. broaden the range of site users,
7. develop and maintain a suitable and appropriate range of inter-organisational relationships, for the benefit of the site and its users and to ensure a steady supply of volunteers, trainees, user groups and projects; and
8. have a strong and engaged Board of Trustees.

Our Values

1. Professionalism and responsibility;
2. Integrity, trust, honesty, openness and transparency;
3. Inclusion, accessibility, equality and equity for all, treating everyone with respect; and
4. Passion for our subjects.

We will embody professionalism and act responsibly for people and the planet, displaying a passion for our project and treating everyone with respect.

Annual report – October 2023 to March 2025

Staff

During this time the staff team at the project has included:

██████████ – Manager – 28 hrs per week

██████████ – Project Assistant to 31 December 2024 – 16 hrs per week

██████████ - Wellbeing Project Worker – October 2023 to December 2023 – 16 hrs per week

██████████ – Wellbeing project worker April 2024 to March 2025 – 16 hrs per week

Work Placements funded by WDC Working4U, managed by Alternatives & hosted by Knowetop:

- ██████████ October 2023 to June 2024 – 24 hrs per week
- ██████████ October 2023 to June 2024 – 24 hrs per week
- ██████████ April 2024 to October 2024 – 24 hrs per week
- ██████████ November 2024 to March 2025 – 6 hrs per week
- ██████████ December 2024 to March 2025 – 12 hrs per week

██████████ all worked at the project when it was part of Alternatives, with ██████████ being the manager from the start of the pilot in 2021. ██████████ become employees of Knowetop SCIO in July 2024.

Volunteers

Our volunteers are at the heart of the work we do. Though not large in number yet, they regularly give their time supporting the practical work on site and our activities programme, the project would not have advanced as far as it has without their efforts.

The trustees also give their time on a voluntary basis, attending board meetings, providing advice and guidance to staff and contributing to the development of strategy, policies and financial management.

Our thanks go to everyone who has contributed their time and energy to help keep Knowetop growing.

Achievements

We strongly believe in the mental and physical benefits to health & wellbeing of spending time getting your hands dirty in natural surroundings, for everyone, regardless of your age, gender, background or physical ability. We work to create a space where that is possible.

Barriers to people accessing good quality, locally grown fruit and veg, and to accessing nature and nature based activities very often include finance. We remove this by providing our produce, events and activities for free. We also offer to reimburse volunteer travel expenses.

Our staff team is small, supplemented by freelance workers, work placements and volunteers to support delivery of tasks on site and our activities programme.

For a small and relatively new organisation our achievements to date include:

- 139 practical volunteer sessions on Tuesdays and Thursdays, totalling 1095 volunteer hours contributed to the project, with one volunteer exceeding 600 hours
- 110 Wellbeing in Nature sessions on Mondays and Thursdays
- 15 days of children's activities during school holidays, involving 75 children. We have had an uptake level of 75% for all our children's activities, and for those for P1 to P7 an uptake level of 101%, having increased capacity in some of our sessions to meet demand.
- 4 free public events, including a family picnic, Halloween, and Christmas wreath making days, attended by 85 people in total
- 55 weekly work sessions for Community Pay Back Women's Team, totalling 583 hours of community pay back order time
- 45 weekly gardening and landscaping work sessions with Tulloch, with 338 hours of work contributed to the project by attendees gaining work and horticulture skills
- 2 Corporate Volunteering days, attended by 9 people who repaired paths and planted trees
- Establishment of the community orchard – over 250 trees planted out with help from the Community Pay Back teams
- Joined the Keep Scotland Beautiful 'It's Your Neighbourhood' scheme and improved the project evaluation from Level 2 - Improving in 2022 to Level 5 - Outstanding in 2024
- Set up of communal food growing space on 'no-dig' principles
- Funding secured for delivery of events and activities, development of community plots, and the project manager post.
- Development of community plots
- Creation of outdoor classroom / group spaces
- Management of fly tipping and loose litter on site
- Wildflower planting and woodland management
- Member of Dumbarton West Partners Group, a collective of organisations working in Dumbarton West and supporting the Community Action Group

What people have said about us:

"I suffer with mental health problems and was a bit nervous of going at first. This group has boosted my confidence and helped me to get out of my house and make friends. I've been along to the volunteer sessions too. Both these groups have helped me with my mental health." Wellbeing group participant & volunteer

"The wellbeing group has made a great difference to us. My adult daughter has autism and life can be very difficult at times. Her behaviour has improved, she's very calm at the group and really enjoys her time there. It's helped my anxiety too." Wellbeing group participant.

Feedback from parents of children attending our sessions:

"Both boys have really enjoyed the experience. Hopefully see you all again."

"My son loved it!" "My four kids enjoyed themselves." "My daughter had the best time."

"I have been meaning to email you earlier. Thank you for a fantastic opportunity, all 3 children were lucky to have an additional day added on as well. They learned lots and really loved their time in nature which I really struggle to provide for them. They are still talking

about this, and if possible could you let us know of any further programmes. I will keep an eye out on your Facebook page.”

Feedback from our volunteers

“Being able to come here and volunteer is really important to me, I get such a lot out of it.”

“Attending Knowetop has given me the belief in myself again that I can be useful.”

Total			£71,257.50

Examiner's Report to the Trustees of Knowetop SCIO

I report on the accounts of the charity for the year ended 31 March 2025.
These are set out on pages 4 - 6.

Respective responsibilities of Trustees and examiner

The charity's Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect,

1. the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn, in order to enable a proper understanding of the accounts to be reached.
