Objectives: The Women's Hub is an innovative, exciting, grassroots charity that works across South Ayrshire. Our purposes are: To bring to end the harm done through Violence Against Women and Girls. Our work is holistic and empowering, working alongside survivors to achieve independent lives free from abuse, providing emotional and practical support whilst working to prevent and raise awareness to the most vulnerable and affected groups in our area. To prevent or relieve poverty by making a positive difference to people by addressing its consequences. These include direct help to individuals, families, or communities in need, such as: providing access to shelter, food, access to support services and welfare or other essential supplies. To promote equality & diversity by challenging negative attitudes and stereotypes, creating an inclusive culture, ensuring equal access to opportunities & resources, to challenge inequality and discrimination, whilst raising awareness. To bring relief to those in need, we aim to help people who are in need because they are disadvantaged due to age, ill-health, disability, financial hardship, or another disadvantage. Working alongside those in need we aim to counter or alleviate the disadvantage, assist people to overcome the disadvantage or to recover from it and to improve the conditions of life of disadvantaged people.
