Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the promotion of equality and diversity'

What the charity does: Established in 2017, Fife Pride began as a partnership between local organisations working to improve services, visibility, and representation for lesbian, gay, bisexual, and transgender people across the Kingdom of Fife. Our aim was, and still is, to create a vibrant annual celebration of equality, diversity, and inclusion. Since our founding, we've hosted Pride events every year, except in 2020 and 2021, when we moved online with successful "Virtual Prides." In recent years, Fife Pride has expanded beyond a single annual event, placing a stronger emphasis on year-round community engagement. Through our Fife Pride on Tour programme, we now deliver smaller, locally based events across Fife, ensuring Pride reaches communities that may not always be able to attend the main celebration.

Beneficiaries: 'Other defined groups'

Objectives: The Charitable Purposes of the SCIO ('the Charitable Purposes') are: 3.1.1 the advancement of citizenship and community development within the LGBTQIA+ community in Fife. and 3.1.2 the promotion of equality and diversity in Fife.
