SUMMARY OF OBJECTIVES AND MAIN ACTIVITIES

Project Pitcairn SCIO (PPS) has a long term plan to develop and help to repopulate the Island, which is now down to just over 40 residents and is close to critical mass for sustainability.

PPS will support the Islanders to attract volunteers and potential settlers who can hopefully become new settlers. The project is the initiative of Islander Jacqui Christian.

Project Pitcairn's strategic objectives are:

1.Attract Skilled Volunteer Workers

To revitalize Pitcairn's dwindling population, we'll bring in skilled volunteers over five years.

These workers will contribute essential skills and help the island thrive.

2.Enhance Digital Connectivity

We'll ensure Pitcairn has reliable and fast internet by 2024, enabling residents and volunteers to stay connected with the world.

3.Secure Access to Fresh Produce

To improve nutrition and reduce reliance on expensive imports.

4.Provide Affordable Housing for Volunteers

5.Boost Sustainable Economic Development

By fostering private sector growth, we'll reduce dependence on government jobs and create new business opportunities for immigrants and residents.

6.Initiate Environmental Projects

We'll launch three environmental projects by 2029, leveraging outside funding and local involvement to protect Pitcairn's natural resources.

7. Offer Affordable Travel for Volunteers

We'll work to reduce travel costs to and from Pitcairn for volunteers, making it easier and more attractive for them to support the island.

Achievement and Performance

Since the Project Pitcairn was formed in April 2024, the year to December 2024 has involved the setting up the administrative requirements of the charity such as establishing a bank account, designing a website, brochures and other publicity material. Publicity will be very important to attract public and personal donations as well as future contributions from government agencies.

On Pitcairn, the work to fulfil some of the charity's objectives has been proceeding:

- The roll out of the Starlink Satellite Internet System to Islanders homes has been completed (funded from Government).
- Coffee growers have attended a training course in Costa Rica to improve their skills and coffee quality. Arrangements to market coffee sales are in hand.
- Research is taking place to develop the honey sector to produce honey-based health and beauty products.

Signed on behalf of the Trustees

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements have not been met:
 - to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations
