## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the advancement of environmental protection or improvement'

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** a) To work to ensure that west coast natural harbours and anchorages can continue to provide havens of refuge for all seafarers in order to protect life, assist in the provision of facilities for recreation through sailing and fishing, and so aid in the protection of the environment of our coastline and seabed. b) To represent the interests of members on matters of overall policy affecting anchorages, moorings and other maritime matters. c) To consider anchorage and mooring matters affecting west highland and island areas not covered by member groups and which could affect the interests of recreational boaters and fishers. d) To support, when the committee agrees, other organisations in considering Scottish Government consent and licensing decisions affecting the west highland and island harbours and anchorages.
