Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: The charity is primarily focused on supporting local community groups and charities to develop digital skills, including the use of technology and AI for marketing, communication and attracting supporters. This helps organisations strengthen their reach, improve engagement and better deliver their services. In addition, the charity supports refugees and asylum seekers to improve their employability by helping them use digital and AI tools to overcome barriers in the job application process and access employment opportunities. Through this work, the organisation aims to promote inclusion and build stronger, more connected communities.

Beneficiaries: 'Other defined groups'

Objectives: 4 The organisation's purposes are: 4.1 To provide relief and assistance to refugees and asylum seekers in the UK through employment activities, services, and projects. 4.2 The advancement of education through the provision of consulting services to support community groups and other organisations. 4.3 To coordinate relief efforts in Scotland and larger efforts nationally. 4.4 The advancement of citizenship and community development in the town of St Andrews and Fife.

Scottish Charity Number: SC053546

Financial Year End: 31 Jul 2025

Structure, Governance and Management

The charity is governed by its constitution and managed by its trustees, who are responsible for the overall control and strategic direction of the organisation.

Charitable Purposes

The charity's purposes are to support refugees and asylum seekers to access employment opportunities and to advance education and community development through the use of digital tools and support for community organisations.

Activities and Achievements

During the financial year, the charity provided pro bono support to approximately 20 community groups and charities. This included assistance with digital skills, the use of technology and AI tools, and support with communications and outreach.

These activities were delivered on a small scale and without charge, contributing to strengthening the capacity of organisations and their ability to engage beneficiaries and supporters.

The charity did not have any income or expenditure during this period.

Financial Review

The charity had no income or expenditure during the year and held no assets or liabilities.

Plans for Future Periods

The trustees intend to explore opportunities to further develop activities that support the charity's purposes, including expanding support to community organisations and improving access to digital tools and employment support.

Trustees

The trustees who served during the year were:

- Joseph Ehrlich
 - Lily Arahamia
