Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health', 'the saving of lives'

What the charity does: Our Mission, Challenge and Commitment is to the Prevention, Treatment and Cure of Heart Diseases. Heart diseases claim thousands of lives each year, leaving families heartbroken and communities deeply affected. We have the power to change this. Many of these deaths are preventable. by utilising pioneering medical research, life-changing community health programs, workplace wellness initiatives and advanced clinical education, we are actively working to prevent, treat, and ultimately cure heart diseases. Join us in ending the devastation of heart diseases for good. Our key activity strands are Community Health, Medical Research, Workplace Health and Clinical Education.

Beneficiaries: 'Other defined groups'

Objectives: The Charity's objects are restricted to: 5.1 the promotion and furtherance of medical research into the prevention, treatment and cure of heart disease and related conditions. and 5.2 the advancement of health or the saving of lives by providing practical help with the prevention, treatment and rehabilitation of people with such diseases.
