Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: The charity aims to enhance the lives of the inhabitants of New Gilston and Woodside villages and the rural environs, although the hall would be available for hire to users from further afield too. Activities cover a wide variety, from Easter Egg hunts for the youngest inhabitants, to coffee mornings and evening socials, which are generally aimed at older generations, although we have started making some of our evening socials family friendly to improve inclusivity. All in all, the hall aims to be as inclusive as possible, providing a space for all inhabitants to meet and take part in activities. The events organised by our organisation are either free to attend or charged at a nominal fee. This is to encourage maximal attendance with a minimal financial threshold. During our free events we gratefully receive donations from the attendees.

Beneficiaries: 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: The organisation's purposes are to enhance the lives of the inhabitants of New Gilston & Woodside and its environs by providing: (a) Facilities, or assist in provision of facilities in the interests of social welfare for recreation and other leisure-time occupation (b) Associate local statutory authorities, voluntary organisations and inhabitants in a common effort to advance education, share local and regional knowledge and create a meeting space to build a stronger and more inclusive community.
