Summary of the main achievements of the charity during the financial period

The charity was able to pay the rest of a brethren in Christ and help him avoid homelessness.

The members of the charity were able to help with immigration documentation of those that had difficulty due to language barriers.

Visitations were made to the sick, and aid was given through help with cleaning their homes, making food, and prayer.

Help to those who had difficulty with the English language was given through helps with booking appointments and help them move around the city.

Aid with transportation to those who did not have a way of transport or disability.

Financial review

Brief statement of the charity's policy on reserves

All donations are stored inside the charity building and kept safely in a clean space. Donations should be taken out with the presence of two members and registered to know what has been taken out of storage so that it can be replaced.

Details of any deficit

Charity has found it harder to pay rent from 11/2025 until now as members of the church started leaving, resulting in less donations from attendees. Less donations were made from this period until present due to the lack of resources.

Donated facilities and services (if any)

All donations to the charity/church are made by members.
