What the charity does: New Life on the Street was set up to be a Christian presence and a Community Hub on the main street of our town. Our three charitable purposes are:- a) The advancement of religion within the framework of Christian faith and values. b) The relief of poverty by a range of actions and projects c) The relief of those in need by way disadvantage, for example by isolation or addiction. We open our door to whoever would come in, providing a friendly space for people to experience company and friendship, or just some peace to sit quietly, with the options of having a hot drink and cake. We also provide a small selection of Christian books and leaflets, some new, some second hand, and some free, as well as a small range of gifts, including charity jewellery and scripture-themed items. This is done regularly twice a week, by holding a drop-in hub, manned by volunteers.
