Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education'

Beneficiaries: 'Children or young people'

Objectives: The primary objective of the organisation is to promote and support educational development. To achieve this fundamental aim, the Scottish Charitable Incorporated Organisation (SCIO) is committed to: Supporting Hampden Primary School by generating and allocating financial resources to provide enrichment opportunities and educational support that extend well beyond the core funding available through local government. These initiatives may encompass various additional investments, including but not limited to: • Procurement of advanced educational equipment and technology not covered by standard council budgets • Upgrading existing hardware and software infrastructure to levels exceeding typical state school provisions • Funding professional development training for staff and parent volunteers • Facilitating improvements to the school's physical learning environments, both indoor and outdoor • Replacement or maintenance of essential school resources, such as the current school mini bus.
