Objectives of the charity

Governance

The charity was originally set up as “Third Day Church”, an unincorporated association with a trust constitution adopted Mar 2014 and modified Jan 2015 when name changed to “The River Church”. “The River Church” was granted charitable status by OSCR July 2014, charity number SC044982.

A new constitution was developed in 2024 to change the form of the charity to a SCIO with new name “River Church Aberdeen”. This was formed on 09 Dec 2024 under charity number SC053845 to replace “The River Church”. During 2025 the assets and liabilities of “The River Church” was passed to “River Church Aberdeen”.

Trustees

The church board, which meets at regular intervals throughout the year, is comprised of the Charity Trustees. The Charity Trustees is comprised of church elders and deacons.

The church elders are responsible for the strategic direction and governance of the church. When required, elders are elected by the existing eldership from the members of the church’s congregation.

The deacons are responsible for the finances and assets of the church and advising the eldership of the church in material matters. The deacons are elected by the elders from the members of the church’s congregation.

The Pastor is both an elder and a deacon and is a paid member of staff.

Under the constitution there must be a minimum of three trustees. The board can add further trustees if it is considered to be in the interests of the church.

The charity trustees are particularly aware of their responsibility for health and safety, especially for children and vulnerable adults. In addition to comprehensive insurance, all our charity trustees have disclosures under the PVG scheme as well as undertaken training in the protection of vulnerable persons.

Summary of the charity's main activities and achievements

The purposes of River Church Aberdeen is to advance the Christian religion in the city of Aberdeen and the surrounding region; and to deliver its activities and operations to individuals through the preaching and outworking of the Christian Gospel.

During 2025 River Church Aberdeen continues to be a vibrant and active church community, serving the spiritual needs of its members with ongoing pastoral care along with teaching, training and equipping in various forms of ministry. Our aim, as a worshipping faith community is to facilitate individual’s growth in their faith as well as corporate outreach to the local community, city and beyond.

Our normal rhythm of activity consists of Sunday morning services which include worship, prayer and teaching. These meetings are open to anyone wishing to attend. Throughout the week our members meet in each other homes for life groups. This allows people to connect with one another in a more intimate setting to encourage one another in their faith. Twice a month we have evenings dedicated to equipping people for various forms of ministry. On a monthly basis the church

engages in evangelism and social care on the streets of Aberdeen, such as providing hot chocolate, tea and coffee for the public as well as opportunities to chat and share about spiritual belief and personal need.

Alongside the ordinary activity of the church, which also included special services around Easter and Christmas, River Church Aberdeen has been involved in partnering with other ministries in the UK, actively contributing to several major Christian conferences throughout the year. These include training and equipping conferences run by local churches and ministries in various locations throughout the UK including Glasgow (January), London (March), Broxbourne (April), Tees Valley (June), Banff (July), Glasgow (September), Wolverhampton (October), Leicester (November).

2025 has been a year of multidimensional growth for River Church Aberdeen. We have grown in numbers as more people have chosen to make the church their spiritual home. We have grown in depth as our church members connect with their faith in a deeper way as we seek to spur one another on the love and good deeds. We have grown in spiritual graces as we see a deeper commitment to prayer, worship and understanding scripture in the church and we have seen a growth in length as we step out to engage with the local community, within Aberdeen city and with the wider Church in the UK.

In planning the activities, the trustees have applied the guidance on public benefit issued by the Charity Commission.
