4. Achievements

At its AGM in 2024, The Kippford Improvement Association and Village Hall (KIAVH) received permission from its members to formally progress the transition to a SCIO, the vote was unanimously in favour. The members also unanimously voted to wind up KIAVH once all its assets had been transferred to the new SCIO.

The Kippford Association (The Association) was henceforth established and a new constitution was written. Four interim trustees were appointed. The Association applied to Office of the Scottish Regulator to be approved as a registered charity. The application was approved on 12th February 2025. A new bank account was opened and a transition plan was developed.

As the plan was progressed, it became apparent that a transfer of land from KIAVH was using a plan that did not include part of the assumed property of the KIAVH. This meant additional legal steps had to be undertaken.

At the time of writing, the additional legal steps have been completed and the transfer of the property assets is in the process of being registered with the Registers of Scotland. Once this has concluded, the remaining assets of KIAVH will be transferred to The Association and KIAVH will be wound up. The Association will then be fully operational.

5. Financial Review

As at the end of August this year, The Association had no funds available.

6. Declaration

The trustees declare that they have approved the Trustees Report above.
