What the charity does: To provide a safe space within the community for vulnerable groups where they can socialise with others and access community support. To provide facilities within the community for the general public to access and to provide a community café and a space where community groups can meet. To facilitate local business to provide dance classes, keep fit classes, parent and baby classes and classes for the ASN community within our area. To provide a warm and safe environment for the elderly within our community and to host lunch clubs, crafting clubs, knitting clubs or any other community led ventures. To advance citizenship and community development. We achieve this by fundraising throughout the year. We are starting the process of applying for grants which will allow us to enhance our services to the community further.
