**Activities:** 'It makes grants, donations, loans, gifts or pensions to individuals','It carries out activities or services itself'

**Purposes:** 'the advancement of health'

**What the charity does:** We raise awareness of the signs and symptoms of womb cancer with anyone at risk of the condition, through social media, events and clinical settings. We support those living with and beyond womb cancer by offering peer and professional support and resources. online, printed, digital meetings and face to face support. We employ a Clinical Nurse specialist who provides 1-2-1 information over the phone and by email. We support research through patient and public involvement and small bursaries. We advocate for those affected by womb cancer in regional and national levels.

**Beneficiaries:** 'People with disabilities or health problems'

**Objectives:** The relief of sickness and the preservation and protection of good health of women with or at risk of womb cancer and their families in the United Kingdom, in particular but not exclusively through the provision of patient education, advice information and support services and the funding of research into womb cancer, its causes and treatment, the useful results of which will be published for the public benefit
