Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development'

Beneficiaries: 'Other charities or voluntary bodies'

Objectives: The organisation's purposes are: 4.1 The advancement of education • Providing digital skills training and mentoring to charities, volunteers, trustees, and students. • Offering placements, workshops, and resources that improve digital literacy and confidence in the third sector. • Creating accessible, plain-language educational materials to help smaller charities navigate the digital landscape. 4.2 The advancement of citizenship or community development • Empowering local charities to better engage and inform their communities through digital channels. • Building the confidence and capacity of individuals who are active in community-led organisations. • Promoting ethical digital participation and inclusion, especially in rural or marginalised communities. • Facilitating a supportive network where charity members can connect, share knowledge, and collaborate, fostering mutual growth and collective impact within the third sector.
