Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty', 'the advancement of education', 'the advancement of health', 'the advancement of the arts, heritage, culture or science'

Beneficiaries: 'Other defined groups'

Objectives: a) To relieve poverty and promote social justice by delivering humanitarian aid, crisis response, and access to essential services through signposting. This includes promoting individual and economic empowerment, self-reliance, dignity, human rights, equality, and inclusive economic participation, particularly for underprivileged individuals and communities in the UK and internationally. b) To advance education and empower communities through capacity building workshops including leadership development, creative learning, and skills training. We will collaborate with educational institutions and research bodies in the UK and abroad to promote lifelong learning and public benefit. c) To promote health and wellbeing by providing culturally informed care, peer-led support, and services addressing mental, emotional, and physical health for people of all ages and backgrounds. d) To advance arts, culture, heritage, and environmental responsibility, fostering social cohesion, collective identity, and sustainability through the building the capacity of community members to learn about, and effect positive change in relation to environmental issues. e) To promote civic participation and influence policy through advocacy and community engagement, addressing systemic barriers, amplifying lived experiences, and contributing to positive societal transformation.
