Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of animal welfare'

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The organisation's purpose is the advancement of animal welfare, with a focus on rescuing and rehabilitating cats who have suffered abuse, neglect, starvation, abandonment, or cruelty—responding wherever the need is greatest, both locally in Scotland and overseas. We raise vital funds to provide necessary veterinary care, ensure cats are placed in safe environments, and facilitate their rehoming primarily across Scotland and the UK. We also promote responsible pet ownership and animal welfare and actively collaborate with local communities to advance animal welfare.
