Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the advancement of environmental protection or improvement'

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The organisation's purposes are: (a) To advance community development by providing information, sign-posting, and practical support to those who manage community buildings that will help keep the buildings in good condition, financially sustainable, and suited to local needs. (b) To promote environmental improvement by raising awareness and providing training about how to adapt existing buildings for community use, move to less polluting forms of energy, and use energy efficiently, particularly (but not exclusively) in heritage buildings.
