Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: 4 The organisation's purposes are: (a) The advancement of citizenship or community development through the delivery of free to access social activities designed to alleviate feelings of loneliness and isolation and foster improved community integration as well as through the provision of support for members of the community enabling them to better understand their rights in relation to welfare benefits, housing and their general legal rights by inviting experts with knowledge in these areas to share this information with our community members thereby building their capacity. (b) The advancement of the arts, heritage, culture or science through the delivery of activities which are free to attend for anyone in the community and aimed at showcasing the music, food and languages of different cultures from around the world. (c) The provision of recreational facilities, or the organisation of recreational activities for community members to engage with aimed at building their capacity and allowing for improved community cohesion. These recreational activities and workshops will be free to access.
