Activities

Activities: 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty', 'the advancement of education', 'the advancement of health', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

Beneficiaries: 'Other defined groups', 'No specific group, or for the benefit of the community'

Objectives: The organisation's purposes are: a) Advancement of Education: To advance education by providing grants, workshops, and support for individuals in the community, particularly focusing on those who are less privileged, to facilitate their access to educational institutions. The organization seeks to empower individuals through educational opportunities, contributing to their personal and professional development. b) Relief of Poverty: To promote the prevention or relief of poverty through mass awareness campaigns addressing the root causes of poverty. The organization aims to provide training, start-up grants, and mentorship for small business ventures, creating sustainable solutions that empower individuals to overcome financial hardships and improve their quality of life. c) Relief of Those in Need: To relieve those in need by reason of age, ill-health, disability, financial hardship, or other disadvantages. The organization commits to implementing programs that assist vulnerable individuals, taking them off the streets, providing accommodation for the homeless, and offering life skills training. Through these initiatives, the organization aims to address the immediate needs of individuals facing various challenges. d) Promotion of Health and Well-being: To promote the health and well-being of individuals in the community by implementing programs and initiatives aimed at improving physical and mental health. The organization will work towards increasing access to healthcare resources, conducting health awareness campaigns, and facilitating activities that enhance overall well-being. Through these efforts, the organization seeks to contribute to a healthier and more resilient community, ensuring individuals have the necessary support to lead fulfilling lives.
