### Contact

---

**Address**  
4 Bayview Cottages  
Millbank Road  
Munlochy  
IV8 8ND

### Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education', 'the advancement of citizenship or community development', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the advancement of environmental protection or improvement'

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** The advancement of community development and citizenship To advance community development and active citizenship by supporting access to and engagement with local community and natural spaces. This includes encouraging residents to take part in the stewardship, development, and sustainable use of community assets and natural environments, with the aim of fostering stronger community ties, civic responsibility, local enterprise, and pride of place. The provision of recreational facilities, or the organisation of recreational activities. To provide and enhance inclusive and accessible recreational facilities, and to organise activities that promote participation in community life and connection with the natural environment. These opportunities will improve physical and mental well-being, promote citizenship and social inclusion, and enhance the overall quality of life. The advancement of environmental protection or improvement To advance environmental protection and improvement through the conservation, restoration, and enhancement of local natural resources. The organisation will support responsible access to nature and encourage community involvement in caring for and learning about local environments. The advancement of education To advance education by encouraging formal and informal learning opportunities that promote environmental awareness, sustainability, heritage, skills development, and active citizenship. These

opportunities will support greater access to knowledge, nature, and community participation for people of all ages and backgrounds.
