## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education', 'the advancement of health', 'the advancement of citizenship or community development', 'the promotion of equality and diversity'

**Beneficiaries:** 'Children or young people', 'No specific group, or for the benefit of the community'

**Objectives:** The Advancement of Health To Enhance mental and physical health by providing bespoke intervention to support individuals and families affected by inter-generational trauma and to prevent sexual and gender-based violence. The Advancement of Education To advance the education and provide community learning opportunities and national awareness projects for professionals, young people and the wider public on the drivers and prevention of sexual and gender-based violence. The Promotion of Equality and Diversity To promote gender equality and inclusion, advocating for rights-respecting approaches in professional networks and society and collaborating with statutory and non-statutory bodies to promote a socio-ecological response to sexual and gender-based violence. The Advancement of Citizenship or Community Development To support organisations, institutions and communities to develop inclusive policies, education and interventions that support young people at risk of causing sexual or gender-based violence
