Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty', 'the advancement of education', 'the advancement of health', 'the advancement of citizenship or community development', 'the promotion of equality and diversity'

Beneficiaries: 'Other defined groups'

Objectives: 1. The advancement of health – by providing accessible mental health support, recovery programmes, counselling, and trauma-informed services, including specific support for survivors of abuse and those affected by addiction. 2. The prevention or relief of poverty – by providing food, clothing, and other support to individuals and families in need, and by connecting them to community welfare resources. 3. The advancement of education – by delivering workshops, training, and guidance in areas including digital literacy, career development, CV writing, interview preparation, entrepreneurship, responsible, technology usage, relationship education and several humanity educative awareness sessions, both online and in person. 4. The advancement of citizenship and community development – by organising community events, peer support groups, intercultural activities, volunteer engagement, and initiatives to reduce loneliness, isolation, and social exclusion. 5. The advancement of equality and diversity – by fostering intercultural understanding, promoting inclusion, and supporting individuals from diverse backgrounds to participate fully in society.
