Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health', 'the advancement of citizenship or community development', 'the advancement of environmental protection or improvement'

Beneficiaries: 'Other defined groups'

Objectives: A: The advancement of education: By providing young adults across Scotland with learning opportunities in nature connection, environmental action, and skills development. B: The advancement of citizenship or community development: By empowering young adults in Scotland to take part in volunteering, leadership, and youth-led environmental projects. C: The advancement of environmental protection or improvement: By supporting nature restoration, conservation, and responsible engagement with local communities and across Scotland, including educational and awareness-raising activities to promote environmental protection. D: The advancement of health and wellbeing: By promoting physical and mental wellbeing among young adults in Scotland through inclusive, educational, and participatory activities that foster connection with nature, community, and purposeful action.
