Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health', 'the saving of lives', 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science', 'the advancement of environmental protection or improvement'

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: (a) The advancement of citizenship or community development, including improving resilience, enhancing social interaction and inclusion, reporting criminal activity and collaboratively working to reduce antisocial behaviour. (b) The advancement of education, including the provision of digital resources relating to the local environment, culture and history. The provision of training opportunities with a focus on heritage and rural skills. (c) The advancement of the arts, heritage, culture or science, including the preservation of historic and culturally relevant assets. Providing venues for developing both functional and expressive arts. (d) The advancement of environmental protection or improvement, including the monitoring, reporting and educating of our Community and visitors on the need to respect our environment and wildlife. (e) The saving of lives, including the provision of equipment and training. (f) The advancement of health, including enabling our Community to pursue a better quality of life as well as providing or promoting access to positive physical and mental health opportunities. In addition, the collaborative provision of information and support on healthy eating, and better lifestyles
