Activities

Activities: 'It makes grants, donations or gifts to organisations','It carries out activities or services itself'

Purposes: 'the advancement of environmental protection or improvement'

Beneficiaries: 'No specific group, or for the benefit of the community','Other charities or voluntary bodies'

Objectives: For the public benefit, the advancement of environmental protection and improvement in West Lothian. The West Lothian Climate Action Network (WLCAN) supports community-led action to address the climate and nature emergency, working towards a sustainable, low-emission West Lothian. We aim to achieve this by: • Supporting the reduction of greenhouse gas emissions and adapting to the impacts of climate change. • Protecting and enhancing local biodiversity and reducing our wider environmental impact. • Empowering individuals and community groups by providing the resources, education, and support necessary to take meaningful climate action.

Geography

- **Main operating location:** West Lothian
- **Geographical spread:** Wider, but within one local authority area
